At EDT we aim to help our students achieve excellence in DANCE + LIFE. That is our More Than Just Great Dancing!® philosophy and at this time in history, that's more important than ever before!

Welcome to the 33rd Anniversary of Encore Dance Theatre (EDT)! We are thrilled to celebrate this milestone with our community, our dancers, their families, and our dedicated teachers.

From your child's first class to their graduation performance, your child will thrive at EDT because at EDT, dance classes are More Than Just Great Dancing!® Our dancers go beyond technique to develop important life skills, learning to be respectful, confident, and conscientious young people who share their gifts and talents with the community.

At Encore Dance Theatre, we believe that dance is not only a beautiful art form but also a powerful tool for personal growth and development.

Engaging in dance provides many physical and emotional benefits that go well beyond the classroom.

Dance strengthens muscles, enhances flexibility, improves coordination, and cultivates endurance. Yet, dance is more than just movements; it touches the heart and soul!

Our studio provides children with what social scientists call a "third place"—a place outside of school and home where they are loved, challenged, encouraged, and accepted. Dance can inspire and uplift, providing an outlet for emotions and fostering a deep sense of joy and fulfillment—something which is crucial for children growing up in a social media world.

In addition to the physical and emotional benefits, dance instills invaluable life lessons that extend beyond the studio walls. **Dance teaches discipline, resilience, teamwork, and time management skills.** It instills confidence, boosts self-esteem, and promotes a positive body image. The camaraderie developed among fellow dancers creates a support system that lasts a lifetime.

These lessons extend far beyond the stage, equipping our dancers with the tools they need to succeed in any endeavor they pursue.

To achieve optimal development and truly reap the rewards of dance, we encourage you to embrace the opportunity to take class multiple times per week or to join one of our Performing Groups. Regular practice provides consistency and reinforces technique, allowing you to refine your skills and progress at an accelerated pace. Each class builds upon the previous one, and through regular attendance, you will gain a deeper understanding of the art form and witness the greatest growth inside and out.

As we commemorate the 33rd anniversary of Encore Dance Theatre, we applaud all of our dancers, instructors, and families for being part of this incredible journey.

Thank you for choosing us as your dance home; whether you are taking your first class or preparing for your senior year, we say,

"Welcome Home!" At EDT, you are family.

Ms. Anne has been sharing her passion for dance and mentorship with students for 35 years. Anne is passionate about giving back to her community and teaching life skills through the arts. The studio is a second home to so many EDT students and she is proud to see former students bringing the next generation of EDT dancers to classes now.
